Josée Bienvenu Gallery is pleased to present *Sin Titulo*, an exhibition conceived in collaboration with Elizabeth Dee. The show will open to the public in two venues on January 10th, 2013 at the galleries located at 529 West 20th Street and 545 West 20th Street. The exhibition will continue through March 3rd, 2013. The opening reception is on Thursday, January 10th from 6 - 8 pm.

Sin Titulo features an inter-generational group of artists who are occupying various territories of content and form within a European, South America and American context. Featuring works from established practices in America, Italy, and Latin America, *Sin Titulo* brings together artists who are prescient to their time and continue to be influential to new generations. The galleries will present selected works from their programs in dialogue with featured artists. The collaboration brings about expanding contexts and ways of seeing that broaden former notions of the generational, historical or geographical. Works in the exhibition address changing relationships between media and incorporate immaterial aspects of space, chance, chroma and visual perception.
